

### **How can you find out more about these barriers?**

- Get out of the library and talk to people
- Surveys
- Ask
- Outreach
- Look at the town/county/campus diversity statistics and compare to who's actually using the library
- Partnerships may allow other ways
- Showing up at community events; interact with the community
- Visit other community resources, such as senior centers.
- Get with community partners of different cultural backgrounds
- Visit neighborhood groups; business organizations; other community groups
