

# ACTIVITIES

Complete an activity and check the box! Each activity is worth 200 points. If you want, you may complete the entire program by doing 16 of the activities.

## READ

- Read a book about a person who looks or lives differently than you.
- Read a book in a format new to you (graphic novel, book in verse, audiobook, etc.).
- Read a book about a topic you'd like to know more about (sports, history... you pick!).
- Read a book your parent (or another adult you like) loved as a teen.

## LIBRARIES ROCK!

- Go to a concert or another musical event! Check out the free concerts at Manitou Springs Library, or search online to find more free options around town!
- Paint a rock for 719Rocks!
- Make a soundtrack for your favorite book. Draw from music from every era to perfectly capture the feel of the book in music!
- Learn about the geological history of the Pikes Peak region. Take a guided hike with the TOPS rangers, check out a book, or head to the Pioneer Museum.

## IMPACT

- Do a Random Act of Kindness for someone else. Visit the Random Acts of Kindness website or ask your parents or friends for help coming up with ideas.
- Volunteer! Help out with your faith community, a hospital, the zoo, or any other option.
- Write letters to members of the military. Visit the Operation Gratitude website for more information.
- Find one of your representatives and write a letter to them about an issue you are passionate about.

## WRITE

- Write and mail or email a letter to someone.
- Write a song or poem - either with music or with only lyrics.
- Create a comic strip/graphic story.
- Enter the Teen Writing contest.

## CREATE

- Attend a library program where you create something.
- Spend at least an hour making something (this could be anything: food, artwork, woodworking, a science project, etc.).
- Create your own online game using block coding! Hourofcode.com is one place to get started for FREE or find your own!
- Learn how to create something new using your computer - watch a Lynda.com video or find another video tutorial elsewhere.

## EXPLORE

- Attend a library program that's new to you, or where you will learn a new skill.
- Visit a local, state, or national park/forest.
- Pick a topic that you would like to learn more about. Spend at least an hour using PPLD resources to learn more about that topic.
- Visit a local museum or learning center.
